PROXY STATEMENT

Annual Meeting of Shareholders to be held May 22, 2018

GENERAL INFORMATION

This Proxy Statement is furnished to the shareholders of ICC Holdings, Inc., a Pennsylvania corporation (the “Company”), in connection with the solicitation, by the Board of Directors of the Company (“Board” or “Board of Directors”), of proxies to be used at the 2018 Annual Meeting of Shareholders (the “Annual Meeting”) to be held at 8 a.m. Central Daylight Time on Tuesday, May 22, 2018, at the offices of Illinois Casualty Company, 225 20th Street, Rock Island, Illinois.

The Company intends to mail the Annual Meeting proxy materials to shareholders on or about April 20, 2018. Information included in this Proxy Statement is as of April 17, 2018.

VOTING

Because many shareholders cannot attend the Annual Meeting in person, it is necessary that a large number of our voting shares be represented at the Annual Meeting by proxy to achieve a quorum. Pursuant to the Company’s bylaws, at least a majority of the outstanding voting shares must be present (in person or by proxy) at the Annual Meeting to conduct the meeting, which is known as a “quorum” of shares. Even if you expect to attend, it is important that you vote your shares in advance.

Whether you hold your shares directly as the shareholder of record or through a broker, trustee, or other nominee (“in street name”), you may vote in one of the following ways:

- *By Internet.* Shareholders may submit their proxy over the Internet by following the instructions provided on the proxy card. Shareholders will need to have the control number appearing on their proxy card available in order to submit their proxy over the Internet.
- *By Telephone.* Shareholders may submit their proxy by telephone, toll-free, by following the instructions provided on the proxy card. Shareholders will need to have the control number appearing on their proxy card available in order to submit their proxy by telephone.
- *By Mail.* Shareholders may submit their proxy by signing, dating and returning the proxy card as promptly as possible in the envelope enclosed for that purpose.
- *At the Meeting.* The way you vote your shares now will not limit your right to change your vote at the Annual Meeting if you attend in person. If you hold your shares in street name, you must obtain a legal proxy, executed in your favor, from the holder of record if you wish to vote these shares at the Annual Meeting.

Shareholders can save the Company expense by submitting their proxy by telephone or over the Internet. If you submit your proxy by telephone or over the Internet, you do not need to also submit a proxy card, although you may do so as one method of changing your vote as described below. The method of voting will not limit a shareholder’s right to attend the Annual Meeting.

Each proxy will be voted in accordance with the shareholder’s instructions. If you return a signed proxy card without any voting instructions, your shares will be voted as recommended by the Board of Directors.

Revocation of Proxies

All proxies delivered by shareholders of record pursuant to this solicitation are revocable at any time prior to the meeting at the option of the shareholder (1) by giving written notice to the Corporate Secretary at the Annual Meeting, (2) by timely delivery of a properly completed proxy, whether by proxy card or by Internet or telephone vote, bearing a later date, or (3) by voting in person at the Annual Meeting. If your shares are held in “street name” (that is, through a broker, trustee, or other

holder of record), you will receive a proxy card from your broker seeking instructions as to how your shares should be voted. You will need to follow those instructions in order to revoke your proxy prior to the meeting. All shares represented by valid, unrevoked proxies will be voted at the Annual Meeting.

Additional Information

Directors are elected by a plurality of votes cast. With respect to the election of directors, shareholders may vote in favor of all nominees, or withhold their votes as to all nominees, or withhold their votes as to specific nominees. Votes withheld and broker non-votes are deemed present at the meeting and thus will be counted for quorum purposes. Votes withheld from a particular nominee and broker non-votes will not constitute or be counted as votes cast for such nominee. The outcome of the votes to ratify the selection of BKD LLP as the Company's independent registered public accounting firm for the current fiscal year (Proposal Two) requires the favorable vote of a majority of the votes cast on those matters. With respect to Proposal Two, shareholders may vote "For," "Against" or "Abstain" on each proposal. Abstentions are deemed present at the meeting, and thus will be counted for quorum purposes, but will not constitute or be counted as votes cast, and will not affect the outcome on, Proposal Two.

Brokers who hold shares for the accounts of their clients in "street name" may vote such shares either as directed by their clients or at their own discretion if permitted by the rules of the New York Stock Exchange and other organizations of which they are members. If an executed proxy is returned by a broker on behalf of its client that indicates the broker does not have discretionary authority as to certain shares to vote on one or more matters (a "broker non-vote"), such shares will be considered present at the Annual Meeting for purposes of determining a quorum, but are not considered entitled to vote on that matter. If your broker holds your shares "in street name" and you do not instruct your broker how to vote, your broker will have discretion to vote your shares on routine matters, such as Proposal Two, the ratification of the selection of the Company's independent public accounting firm.

Your broker will not, however, have discretion to vote on non-routine matters absent direction from you. Among other matters, brokers are not entitled to use their discretion to vote uninstructed proxies in director elections. As a result, your broker will not be able to vote your shares on Proposal One without your direction. **Therefore, it is important that you provide your broker with voting instructions on all proposals.** If your shares are held by your broker "in street name," you will receive a voting instruction form from your broker or the broker's agent asking you how your shares should be voted. Please complete the form and return it as instructed by the broker or agent. You may not vote shares held in "street name" at the Annual Meeting unless you obtain a legal proxy from your broker or holder of record.

SHAREHOLDERS ENTITLED TO VOTE

Shareholders of record at the close of business on March 29, 2018, the record date, shall be entitled to vote at the 2018 Annual Meeting. As of the record date, the Company had 3,500,000 shares of Common Stock outstanding and entitled to vote. Common share ownership entitles the holder to one vote per share upon each matter to be voted at the 2018 Annual Meeting.

COST OF PROXY SOLICITATION

The solicitation of proxies is being made by the Company, and the Company will bear the cost of solicitation. In addition to the use of the mail, proxies may be solicited in person or by telephone, facsimile or other electronic means, by directors, officers or employees of the Company. No additional compensation will be paid to such persons for their services. In accordance with the regulations of the SEC and the NASDAQ Stock Market LLC "NASDAQ", the Company will reimburse banks, brokerage firms, investment advisors and other custodians, nominees, fiduciaries and service bureaus for their reasonable out-of-pocket expenses for forwarding soliciting material to beneficial owners of the Company's common stock and obtaining their proxies or voting instructions.

PROPOSAL ONE: ELECTION OF DIRECTORS

GENERAL

At this year's Annual Meeting, three (3) Class I directors are to be elected. Unless otherwise instructed, the shares represented by a signed proxy card will be voted for the election of the three nominees named below. The nominees for election as Class I directors who receive the highest number of votes cast, in person or by proxy, at the meeting will be elected as Class I directors.

STAGGERED BOARD

Our articles of incorporation and bylaws provide for a classified board of directors consisting of three classes of directors, each serving staggered three-year terms. Our directors are divided among the three classes as follows:

- Class I directors, whose term will expire at the Annual Meeting of Shareholders to be held in fiscal year 2021, consists of Messrs. Dingman, Klockau, and Pepping;
- Class II directors, whose term will expire at the Annual Meeting of Shareholders to be held in fiscal year 2019, consists of Messrs. Burgess and Sutherland, and Ms. Schmitt; and
- Class III directors, whose term will expire at the Annual Meeting of Shareholders to be held in fiscal year 2020, consists of Messrs. Clinton, Heriford, Portes, and Schwab.

Directors in a particular class will be elected for three-year terms at the Annual Meeting of Shareholders in the year in which their terms expire. As a result, only one class of directors will be elected at each annual meeting of our shareholders, with the other classes continuing for the remainder of their respective three-year terms. Each director's term continues until the election and qualification of his successor, or his earlier death, resignation or removal.

NOMINEES

Messrs. James R. Dingman, John R. Klockau, and Gerald J. Pepping are standing for election. Each is nominated to serve for a three-year term expiring in 2021.

The Board of Directors has no reason to believe that any nominee will be unable to serve if elected. In the event that any nominee shall become unavailable for election, the shares represented by a proxy will be voted for the election of a substitute nominee selected by the persons appointed as proxies and recommended by the Board, unless the Board should determine to reduce the number of directors pursuant to the Company's bylaws or allow the vacancy to stay open until a replacement is designated by the Board.

The Board of Directors recommends that the shareholders vote "FOR" election of all four nominees listed above.

PROPOSAL TWO: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected BKD LLP (“BKD”), the Company’s independent registered public accounting firm since 2016, as the Company’s independent registered public accounting firm for 2018, and the Board is asking shareholders to ratify that selection. Although current law, rules and regulations, as well as the Charter of the Audit Committee, require our independent auditor to be appointed, retained and supervised by the Audit Committee, the Board considers the selection of an independent auditor to be an important matter of shareholder concern and considers a proposal for shareholders to ratify such selection to be an important opportunity for shareholders to provide direct feedback to the Board on an important issue of corporate governance. If the appointment of BKD is not ratified by shareholders, the Audit Committee will take such action, if any, with respect to the appointment of the independent auditor as the Audit Committee deems appropriate, which may include continued retention of such audit firm. Even if the selection is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

Representatives of BKD are expected to be present at the Annual Meeting with the opportunity to make a statement, if they desire, and will be available to respond to appropriate questions from the shareholders.

The affirmative vote of the holders of at least a majority of the shares of common stock of the Company present and entitled to vote at the Annual Meeting is required for adoption of this proposal.

The Board of Directors recommends that the shareholders vote “FOR” Proposal Two and the ratification of selection of BKD LLP as independent registered public accounting firm of the Company for the current fiscal year.

CORPORATE GOVERNANCE AND BOARD MATTERS

CORPORATE GOVERNANCE PRINCIPLES

The Company is committed to having sound corporate governance principles that are designed to ensure that the Board exercises reasonable business judgment in discharging its obligations to the Company and its shareholders. Corporate governance practices also help to ensure that full and transparent disclosures are made to the Company's shareholders and the SEC.

DIRECTOR INDEPENDENCE

The Board is required to affirmatively determine the independence of each director and to disclose such determination in the proxy statement for each Annual Meeting of Shareholders of the Company. In order to determine which of our directors are independent, we have elected to utilize the standards for independence established under the NASDAQ listing standards. Under this standard, an independent director is a person other than an executive officer or employee of ICC or any other individual having a relationship which, in the opinion of the board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The following persons will not be considered independent:

- a director who is, or at any time during the past three years was, employed by us;
- a director who accepted or who has a spouse, parent, child or sibling, whether by blood, marriage or adoption, or any other person who resides in his home, hereinafter referred to as a "Family Member", who accepted any compensation from us in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence (other than compensation for board or board committee service; compensation paid to a Family Member who is an employee (other than an executive officer) of Illinois Casualty; or benefits under a tax-qualified retirement plan, or non-discretionary compensation).
- a director who is a Family Member of an individual who is, or at any time during the past three years was, employed by us as an executive officer;
- a director who is, or has a Family Member who is, a partner in, or a controlling shareholder or an executive officer of, any organization to which we made, or from which we received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more (excluding payments arising solely from investments in our securities; or payments under non-discretionary charitable contribution matching programs).
- a director of ICC who is, or has a Family Member who is, employed as an executive officer of another entity where at any time during the past three (3) years any of our executive officers served on the compensation committee of such other entity; or
- a director who is, or has a Family Member who is, a current partner of our outside auditor, or was a partner or employee of the company's outside auditor who worked on our audit at any time during any of the past three (3) years.

Under this criteria, all directors except Arron K. Sutherland are independent. Only independent directors serve on the Company's Audit Committee, Nominating and Governance Committee, and Compensation Committee.

DIRECTOR NOMINATION POLICY

The Nominating and Governance Committee of the Company considers director candidates based upon a number of qualifications, qualities, skills, and other expertise required to be a director

The Nominating and Governance Committee conducts an annual assessment of the composition of the Board and its committees. The Committee reviews the appropriate skills and characteristics required of Board members with a view toward establishing a diversity of backgrounds in areas of core competencies including experience in the following: business development, insurance industry, senior management, operational, technical, compensation and finance.

The Nominating and Corporate Governance Committee will consider qualified director candidates as properly nominated by shareholders as further set forth under SHAREHOLDER PROPOSALS on page 25. In addition, the Nominating and Governance Committee will consider shareholder recommendations for director candidates, but the Nominating and Governance Committee has no obligation to recommend such candidates. Assuming that appropriate biographical and background material (including qualifications) is provided for candidates recommended by shareholders, the Nominating and Governance Committee will evaluate those candidates by following substantially the same process and applying substantially the same criteria as for candidates recommended by other sources.

BOARD MEETINGS AND COMPENSATION

MEETINGS

During 2017, four regular meetings of the Board of Directors were held with all directors in attendance. No director attended fewer than 75 percent of the aggregate number of meetings of the Board and Board committees on which he or she served. In connection with each Board meeting, the independent directors meet in executive session with no members of management present.

DIRECTOR COMPENSATION

The following table summarizes the total compensation paid to our non-employee directors for the fiscal year ended December 31, 2017.

Director	Fees Earned or Paid in Cash (\$)	Total (\$)
Jerry J. Pepping	37,500	37,500
Scott T. Burgess	28,000	28,000
R. Kevin Clinton	21,000	21,000
James R. Dingman	30,000	30,000
Joel K. Heriford	30,000	30,000
John R. Klockau	28,000	28,000
Daniel H. Portes	28,000	28,000
Christine C. Schmitt	33,000	33,000
Mark J. Schwab	28,000	28,000

In 2017, the Compensation and Succession Committee engaged Pearl Meyer & Partners, an independent executive compensation firm to evaluate director compensation. The consulting firm calculated director pay levels based on the current board and committee meeting schedule, and current committee sizes and roles. This information was benchmarked against comparative peer group companies based on proxy statement disclosure as well as general industry survey data. The analysis found that director pay was below market and did not provide an annual retainer which is common practice in the public arena.

In February 2017, recognizing our move to the public sector, the Board approved a new payment structure that better aligns the Company with the market. Under the structure, each non-employee director will receive an annual cash retainer for service of \$28,000. Mr. Clinton, who joined the Board after the first quarter of 2017, received \$21,000. In addition, Mr. Pepping received \$7,500 for his work as Chairman of the Board, and Ms. Schmitt received \$5,000 for her work as Audit Committee Chair. Mr. Pepping, Mr. Dingman, and Mr. Heriford each received an additional \$2,000 for their work on the Audit Committee.

A director who is also an employee, such as Mr. Sutherland, does not and will not receive any compensation for his service as a director. Directors have been and will continue to be reimbursed for travel, food, lodging and other expenses directly related to their activities as directors. Directors are also entitled to protection provided by the indemnification provisions in our bylaws, as well as the protection provided by D & O liability insurance provided by us.

BOARD LEADERSHIP STRUCTURE

The Company maintains a policy of separating the roles of Chairman of the Board and Chief Executive Officer. Gerald J. Pepping currently serves as Chairman of the Board of the Company, having been first elected to that position by the Company's Board at a meeting held November 17, 2009, and was effective immediately. The Chairman of the Board is "independent" under the standards established by the corporate governance rules of the NASDAQ Stock Market (the "NASDAQ") and the rules and regulations of the SEC.

The Board of Directors believes that separation of the positions of Chairman of the Board and Chief Executive Officer reinforces the independence of the Board in its oversight of the business and affairs of the Company. In addition, the Board believes that having an independent Chairman creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board to monitor whether management's actions are in the best interests of the Company and its stockholders. As a result, the Board of Directors has concluded that having an independent Chairman enhances the effectiveness of the Board as a whole and is an appropriate leadership structure for the Company.

AUDIT COMMITTEE REPORT

The following report by the Audit Committee (the "Committee") of the Company's Board of Directors is required by the rules of the SEC to be included in this Proxy Statement and shall not be considered incorporated by reference in other filings by the Company with the SEC.

The Committee is composed of four independent directors and operates under a written charter adopted by the Board of Directors.

The primary role of the Committee is to assist the Board of Directors in its oversight of (a) the Company's corporate accounting and reporting practices, (b) the quality and integrity of the Company's financial statements, (c) the performance of the Company's system of internal accounting and financial controls, (d) the Company's compliance with related legal and regulatory requirements, (e) the qualifications, independence and performance of the independent registered public accounting firm ("Auditor"), and (f) the performance of the Company's internal audit function. In addition to those primary roles, the Committee also performs other roles and functions as outlined in its charter, including preliminary review of earnings releases and other activities. The Committee also acts as the audit committee for the Company's insurance company subsidiary. A more detailed description of the Committee's roles, functions and activities is set forth in the description of Board committees elsewhere in this Proxy Statement and in the Committee's charter, which is available on our investor relations website at <http://ir.iccholdingsinc.com/>.

The Board of Directors has determined that each of the members of the Audit Committee qualifies as "independent" within the meaning of the NASDAQ Listing Standards and the rules of the SEC. The Board of Directors has further determined that Christine C. Schmitt is an "audit committee financial expert" within the meaning of the SEC rules.

The Committee reviews the internal audit function of the Company, including the independence and authority of its reporting obligations, the proposed audit plans for the coming year and the coordination of such plans with the Auditor. The Company's Manager of Internal Controls provides the internal audit function, which includes objective assurance services regarding the effectiveness of management's internal controls and procedures and consulting services designed to add value and improve the organization's operations. The Committee oversees the Manager of Internal Controls and the overall internal audit function at the Company. To assist with this oversight, the Company's Manager of Internal Controls provides an annual risk-based audit plan to the Audit Committee and periodic reports are additionally made to the Committee summarizing results of internal audit activities.

The Committee appoints and annually evaluates the performance of the Company's Auditor and provides assistance to the members of the Board of Directors in fulfilling their oversight functions of the financial reporting practices and financial statements of the Company. It is not the duty of the Committee, however, to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with U.S. generally accepted accounting principles. The Company's Auditor is responsible for planning and conducting audits of the financial statements and internal controls over financial reporting; and the Company's management is responsible for preparing the financial statements, designing and assessing the effectiveness of internal control over financial reporting and determining that the Company's financial statements are complete and accurate and in accordance with U.S. generally accepted accounting principles and applicable laws and regulations.

The Company's current independent registered public accounting firm is BKD LLP ("BKD"). BKD has been the Company's independent registered public accounting firm since 2016 and the Audit Committee has selected BKD to be the Company's independent registered public accounting firm for fiscal 2018.

The Committee contracts with and sets the fees paid to the independent registered public accounting firm. The fees for BKD's audit services for the past two fiscal years are set forth on page 11.

Audit fees relate to professional services rendered for the audit of consolidated financial statements of the Company, audits of the statutory financial statements of certain subsidiaries, review of quarterly consolidated financial statements and assistance with review of documents filed with the SEC.

In our fiscal year ended December 31, 2017, there were no other professional services provided by BKD, other than those listed in the table on page 11, that would have required our Audit Committee to consider their compatibility with maintaining the independence of BKD

The Committee received reports and reviewed and discussed the audited financial statements with management and the Auditor. The Committee also discussed with the Auditor matters required to be discussed by PCAOB Standard No.16, Communication with Audit Committees. The Committee received from the Company's Auditor the written disclosures and letter required by the applicable PCAOB requirements for independent registered public accounting firm's communications with the Audit Committee concerning auditor independence. The Committee discussed with the Auditor that firm's independence and any relationships that may impact that firm's objectivity and independence including audit and non-audit fees. Additionally, the Committee promotes the Auditor's independence by ensuring that the lines of communication are always open and constant between the Auditor and the Committee.

Based on the Committee's discussion with and review of reports from management, the Company's Internal Control Manager and the Company's Auditor and the Committee's reliance on the representation of management that the Company's consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles, the Committee recommended to the Board of Directors that the audited financial statements of the Company be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017, as filed with the SEC.

The foregoing report has been approved by all members of the Audit Committee.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2017, the Compensation Committee was composed of Dan Portes, Joel Heriford, Christine Schmitt, and Mark Schwab. None of these persons has at any time been an officer or employee of the Company or any of its subsidiaries. In addition, there are no relationships among our executive officers, members of the Compensation Committee or entities whose executives serve on the Board of Directors or the Compensation Committee that require disclosure under applicable SEC regulations.

EXECUTIVE COMPENSATION PRACTICES

INTRODUCTION

Given our growth strategy and where we are in our business life-cycle, in early 2017 the Compensation Committee engaged an independent compensation consultant to review our executive compensation levels and structure and help develop a new executive compensation philosophy and program to ensure that total direct compensation is closely tied to the achievement of Company performance measures that focus on our growth strategy and drive shareholder value creation.

An Executive Discretionary Performance Bonus Program, including a long-term incentive component, was approved by the Joint Boards of ICC Holdings, Inc. and Illinois Casualty Company on March 20, 2017. The former profit sharing and individual bonus programs were replaced with a single, discretionary, performance bonus program. Similar to the profit sharing program, the criteria for measuring performance includes key components of insurance company operations. Company and individual goals are combined, with heavier weighting on Company goals. Two bonus levels have been established; CEO and Vice President. Company and individual goals are to be set annually, with consideration of current market conditions. Performance measures and thresholds will be reviewed annually to ensure consistency with the business plan.

For 2017, our executive officers were compensated consistent with the design of the programs approved by the Board of Directors in 2017. Specifically, they received annual base salaries and were eligible to receive a discretionary annual bonus up to a maximum percentage of their base salaries, based on the achievement of specific company and individual performance goals; a maximum of 35% of base salary for the CEO and 30% of base salary for the remaining executive officers respectively. The CEO's performance bonus structure includes an opportunity for earning up to an additional 15% of base salary for achieving "stretch goals." The Summary Compensation Table on page 24 provides a summary of compensation for the Chief Executive Officer, the Chief Financial Officer, as well as the next two highly compensated executive officers for 2017 and 2016.

This report provides an overview of our executive compensation program which was implemented in 2017.

WHAT GUIDES OUR NEW EXECUTIVE COMPENSATION PROGRAM

The following summarizes the guidelines, decision-making process and structure of our executive compensation program effective March 20, 2017.

Our Compensation Philosophy and Guiding Principles

The philosophy underlying our executive compensation program is to attract, retain and motivate strong leadership to drive ICC's business strategy and goals. Our executive compensation program is grounded in the following guiding principles:

- **Pay for performance:** A portion of an executive's total compensation should be variable and dependent upon the attainment of certain specific and measurable annual and/or long-term business performance objectives.
- **Competitiveness:** Our initial goal is to target total direct compensation opportunities between the market 25th percentile and the market median (or above with requisite performance) to ensure that compensation is at a level that is appropriate relative to that being offered to individuals holding comparable positions at other companies with which we compete for business and leadership talent. As we reach our goals of profitable growth, we will re-evaluate our competitiveness and may decide to pay above the 25th percentile to median range.
- **Shareholder alignment:** Executives should be compensated through pay elements (base salaries, annual- and long-term incentives) designed to create long-term value for our shareholders, as well as foster a culture of ownership.

The Role of the Compensation Committee

The primary oversight of the Company's executive compensation program rests with the Compensation Committee of the Board of Directors ("the Compensation Committee"). The Compensation Committee is comprised entirely of independent directors. It is the responsibility of the Compensation Committee to determine whether, in its judgement, our executive compensation program, practices and policies are reasonable and appropriate, reflect our compensation philosophy and effectively serve in the best interests of our shareholders and our Company.

The Role of the Chief Executive Officer.

The Compensation Committee makes all decisions about the compensation of our executive officers. The Chief Executive Officer provides the Compensation Committee with an assessment of the performance of the executive officers other than himself and compensation recommendations for the executive officers other than himself — he does not play any role with respect to any matter impacting his own compensation.

The Role of the Independent Compensation Consultant

The Compensation Committee periodically engages consultants to independently review our executive compensation program, practices and policies. In 2017, the Compensation Committee engaged Pearl Meyer & Partners (“Pearl Meyer”), an independent executive compensation consulting firm, to review our executive compensation levels and structure. Pearl Meyer also assisted the Compensation Committee in developing new performance-based incentive plans for executive officers.

The Role of Competitive Positioning

The Compensation Committee, with the support of its independent compensation consultant, periodically reviews salary levels relative to the compensation of executive officers of similarly-sized property and casualty insurance companies. In these reviews, the Compensation Committee primarily relies on publicly-available survey data, as there are few similarly-sized publicly-traded property and casualty insurance companies which can be used as comparators for executive compensation benchmarking purposes; however, peer company data is used as supplemental reference information by the Committee.

In early 2017, Pearl Meyer’s review and analysis of our executive compensation levels and structure determined that the base salaries and total cash compensation opportunity of ICC’s executive officers, in aggregate, fell below market competitive levels and were more aligned with the 25th percentile of the market. Until such time that the Company grows significantly, we feel it is prudent to take a conservative approach towards executive compensation; however, the decision was made to adjust executive salaries in recognition of the contributions made to the conversion process and additional responsibilities our executives will take on in relation to operating as a public company.

OVERVIEW OF EXECUTIVE COMPENSATION

OBJECTIVES

The objective of the Company's executive compensation program is to provide a competitive total executive compensation program linked to Company performance that will attract, retain and motivate talented executives critical to the Company's long-term success.

ELEMENTS OF COMPANY EXECUTIVE COMPENSATION

Our compensation philosophy is supported by the following principal compensation elements:

- (a) **Base salary:** Base salaries are based on a blend of factors, including market data for the role, individual contributions and experience, performance and internal equity.
- (b) **Annual incentives:** Annual incentive opportunities focus executives on achieving annual financial and strategic goals that drive long-term shareholder value. Award opportunities are based on an executive's role within the Company. Performance is assessed relative to a combination of Company and individual performance goals. Pre-determined Company performance measures and threshold, target and maximum performance levels are approved at the beginning of the calendar year by the Compensation Committee based on ICC's annual business plan and consistent with market practice.
- (c) **Long-term incentives:** The Company did not provide any long-term incentive compensation for 2017. In the future, the Company plans to use long-term compensation to motivate executives to execute on longer-term financial and strategic growth goals that drive shareholder value creation and support the Company's retention strategy. It is anticipated that executives will be eligible to receive regular long-term incentive award grants in the form of cash and/or equity, as approved by the Compensation Committee. Actual awards will vest over a three-year period based on the achievement of pre-determined, financial or operational performance goals at the end of a defined performance period.

Other Benefits and Perquisites

Our executive officers participate in the same broad-based benefit programs that are generally available to all other employees, including health, dental, disability and life insurance programs, a Company match on contributions to the 401(k) plan, and participation in the Employee Stock Ownership Plan (ESOP) implemented in 2017. The Company also provides nominal perquisites and supplemental benefits such as country club membership dues and supplemental insurance benefits to several of its executive officers, based on business needs.

The Company provides our President and CEO with a deferred compensation arrangement through which he is eligible to receive defined levels of benefits based on his age and service at the time of his retirement from the Company.

OTHER PRACTICES AND POLICIES

Tax and Accounting Matters

Section 162(m) of the Internal Revenue Code of 1986, enacted as part of the Omnibus Budget Reconciliation Act of 1993, generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to certain of the Company's executive officers. The Compensation Committee expects to continue to monitor the application of Section 162(m) to executive compensation and will take appropriate action if it is warranted in the future.

We also operate our executive compensation program with the intention of complying with Section 409A of the Internal Revenue Code of 1986.

Employment Agreements

Sutherland Agreements. Mr. Sutherland is party to an employment agreement with Illinois Casualty and the Company. Mr. Sutherland's employment agreement, effective October 1, 2016, is terminable upon 60 days prior written notice. The employment agreement includes non-compete and non-solicitation covenants that last during his term of employment and two years thereafter. Pursuant to his employment agreement, Mr. Sutherland receives a base salary of \$320,000, which is increased annually to reflect a cost of living increase based upon information published by the Bureau of Labor Statistics of the United States Department of Labor plus any other discretionary increases agreed by the board of directors or

compensation committee from time to time. Mr. Sutherland is also eligible to receive (i) an annual discretionary performance-based bonus, (ii) paid annual personal time off in accordance with the benefits provided to other employees, and (iii) country club membership for the purpose of conducting company business, with Illinois Casualty owning the equity portion. He is also entitled to participate in all retirement plans and health, life, disability and other insurance programs offered by Illinois Casualty to its other employees. Mr. Sutherland will be entitled to participate in the pool of shares of our common stock designated to be awarded to our management team in accordance with the terms our equity incentive plan. Additionally, Illinois Casualty will provide Mr. Sutherland with company-funded disability income that, when coordinated with our group disability plans, will provide him with 75% of his base salary for the first 180 days of his disability. During the term of his employment agreement and for two years following his termination, Mr. Sutherland is subject to a covenant not to compete, a covenant not to solicit customers and a covenant not to solicit our key employees. This employment agreement replaced an employment agreement between Mr. Sutherland and Illinois Casualty originally entered into in August 2012.

In November 2012, we entered into a deferred compensation agreement with Mr. Sutherland. The agreement requires Illinois Casualty to make payments to Mr. Sutherland beginning at retirement, which is set at age 62. In the event of separation of service without cause prior to age 62, benefits under this agreement vest 25% in November 2017, 50% in November 2022, 75% in November 2027, and 100% on January 1, 2032. In the event of Mr. Sutherland's death prior to retirement, benefits become fully vested and are payable to his beneficiaries. Using a discount rate of 3.6%, the fully vested obligation under the agreement would total approximately \$1,689,467 on January 1, 2032. As of December 31, 2017, the accrued liability related to this agreement totaled \$248,481.

Other Named Executive Officer Agreements. None of our other executive officers are party to an employment agreement. All of our other named executive officers have non-disclosure and change-in-control agreements, which include a non-compete covenant.

Additionally, in the event that the Company or Illinois Casualty is sold or merged with another entity during the term of Mr. Sutherland's employment and, as a result of that sale or merger, his employment is terminated, Mr. Sutherland will also receive a lump sum payment equal to twenty-four months of base salary payable within thirty days following termination of employment.

In October 2016, we entered into change in control agreements with each of Messrs. The definition of change in control is the same as contained in Mr. Sutherland's employment agreement. Each change in control agreement is for a term ending on December 31, 2017 that is automatically renewed for an additional one-year term thereafter unless either party gives their respective notice of intent not to renew at least sixty days prior to

January 1st of the subsequent year. Each change in control agreement also provides that the executive may not compete with our business or solicit any of our customers or employees for one year following the termination of such executive's employment for any reason and during the term of the change in control agreement.

If a good reason occurs, the executive has ninety days thereafter to notify the Company and Illinois Casualty of such occurrence. If the Company and/or Illinois Casualty, as applicable, fail to cure such situation within thirty days after such notice, the executive is entitled to, within thirty days from the later of the date of termination of employment or delivery of the notice of termination, a lump sum cash payment equal to sum of (a) one times the executive's base salary in effect as of the delivery date of the notice of termination and (b) one times the average cash bonus paid to the such executive within the current calendar year and two calendar years preceding the year in which the notice of termination is delivered. Additionally, upon such occurrence, during the period commencing from the date of termination of employment until the end of the twelfth month after such date, the executive shall be permitted to continue participation in, and the Company and/or Illinois Casualty, as applicable, shall maintain the same level of contribution for, such executive's participation in their respective medical/health insurance in effect with respect to such executive during the one year period prior to such executive's termination of employment or, if the Company and/or Illinois Casualty, as applicable, is not permitted to provide such benefits because such executive is no longer an employee or as a result of any applicable legal requirement, such executive shall receive a dollar amount, on or within thirty days following the date of termination of employment, equal to the cost to the Company and/or Illinois Casualty, as applicable, of obtaining such benefits (or substantially similar benefits).
